

Your very awesome paper

Control Group IITD

July 25, 2023

This is a very important paper for your Ph.D. thesis. You should cite it often [1].

Supervisor Corrections this is correction to my awful

1 Introduction

This is a dummy paper, which you can use as a template for your own papers. You can use the `paper.bib` file to add your own references. You can also use the `paper.tex` file as a template.

Please do not actually submit this paper to any journal or conference, it will be rejected.

2 Conclusion

This paper is awesome.

References
